Action/Discussion/Information Items

a. The committee heard about the early college offerings that we hope will begin in the fall of 2016. The committee will recommend that the full board adopt any needed policies or resolutions in order to offer both a computer/technology program and a welding program for students.

The committee also heard about needed planning for any potential collaborative programs with other districts, likely via iTV.

There being no further business before the Board, Trustee Gerald Cieslak adjourned the meeting at 6:43 P.M.
