#### a. Peer to Peer course information

i. Committee heard from HS Principal, J. Tinti regarding a new course the HS wants to add in the fall of 2019. Class is a peer-to-peer course in conjunction with the ISD classes in the building. Students will work with the ISD lead teacher, Kristin Proctor, and do work with ISD-served students. Committee members agreed that this is a worthwhile class and there will be a recommendation to the full board for adoption at the May meeting.

- b. Summer Curriculum work
  - ii. Committee heard about planned curriculum work on math and ELA over the summer. Participating staff will work on alignment of Core Content to classroom practices and lessons.
- c. Subscription models and curriculum
  - iii. Committee heard that most curriculum support materials/texts now come with subscription plans as part of the model. Ready Math is one example of this as is the NWEA testing system.

There being no further business before the Board, Secretary, Jenny DeDecker adjourned the meeting at 7:15 PM
