Informational

Committee members heard updates about the financial situation in Michigan, the potential impact on schools throughout the state and in Norway. Board members discussed varying potentials for dealing with the anticipated budget cuts in combinations including cuts in personnel and materials as well as the current

general fund and capital projects balances. Because there is there is no hard data currently from the state regarding budget or what schools will have to do when opening in the fall, the committee is taking the information under advisement for the time being.

There being no further business before the Board, Treasurer, Jan Van Gasse adjourned the meeting at 9:36 AM
