

Norway-Vulcan Area School Bus Routes for 2018-2019

Some bus routes for the Norway-Vulcan Schools have minor changes for the 2018-2019 school year. Please check the bus schedule to determine the estimated time your child will be picked up in the morning and arrive home. Generally, the first few days of school, buses are running five to ten minutes early or late as students adjust to the pick-up times. Students are expected to be at the bus stop 10 minutes prior to the scheduled time. If you have questions, call the elementary school office at 563-9543. These times and stops may be adjusted as necessary throughout the school year. School starts on Tuesday, August 28th, at 8:15 a.m.
